**ORDER OF BUSINESS  
FOR THE JUVENILE COURT OF FULTON COUNTY  
JANUARY 2023– JANUARY 2024**

**This Order of Business is subject to modification as may be announced.**

Based upon the COVID-19 public health guidelines, the Fulton County Juvenile Court may conduct court hearings virtually via a virtual conferencing platform identified by the court (i.e., Zoom), in accordance with Uniform Juvenile Court Rule 12.2 unless specially scheduled for an in-person hearing by court order. Parties and members of the public without access to the internet or virtual conferencing platform capability, must report to the Fulton County Juvenile Court located at 395 Pryor Street SW, Atlanta, Georgia 30312 at least 30 (thirty) minutes prior to their scheduled hearing for virtual access to the hearing. The Court shall utilize the virtual conferencing platform known as Zoom for all virtual hearings unless otherwise indicated in a written notice to the parties.

All parties must ensure the ability to access the Zoom platform prior to the time of the hearing to ensure timely access to hearings and to avoid negative consequences due to an untimely appearance or failure to appear. Each party must conduct a test to assess their connection to the Zoom platform. To test your access to Zoom, you may use the link <https://zoom.us/test>. If the party does not have access to the Zoom platform, then the party must appear in person to the Fulton County Juvenile Court at least thirty (30) minutes prior to the scheduled hearing for timely access.

Where the court has scheduled an in-person hearing, the parties and legal counsel must physically appear, in the assigned courtroom in-person, prior to the scheduled hearing time. The parties and legal counsel may not substitute a virtual appearance specifically scheduled as an in-person court hearing without the authorization of the court.

**A. OPERATIONS**

Each juvenile court judge is assigned to a child/family for all matters for that child/family that come before the Juvenile Court; this is referred to as the “one family/one judge” concept.

Each juvenile court judge conducts hearings on an alternating schedule, with one week for dependency cases and the following week for delinquency cases. The alternating schedule for the judges is detailed in the Weekly Schedule below in section J.

Each juvenile court judge may work with a partner judge to hear cases that do not coincide with that judge’s assigned hearing type for the week. For example, if Judge A is partnered with Judge B, Judge A’s dependency week will be Judge B’s delinquency week. Accordingly, if a delinquency detention hearing arises for a child that Judge A (dependency week) is assigned, Judge

B (delinquency week) will hear that delinquency detention matter in lieu of Judge A. The Juvenile Court may utilize pro tem judges to hear any matters as authorized by the presiding (chief) judge.

Fulton County Juvenile Court currently has a total of seven (7) full-time judges. In accordance with the Juvenile Code, one of the judges shall be designated as the “Presiding Judge”, which is known locally as the “Chief Judge.” The full-time juvenile court judges serve on rotation as the “on-call judge” to preside over certain designated matters. In the absence of the judge, the court may authorize senior judges or judge pro tem to preside as needed.

Judicial Teams/Partners: Team 1: Judge Scales with Judge Johnson and Judge Crawford in an alternative manner; Team 2: Judge Turner and Judge Jackson; Team 3: Judge Belton and Judge Yokom.

Judicial Teams/Partners			
Judicial Team 1	Presiding (Chief) Judge Scales	Judge Crawford	Judge Johnson
Judicial Team 2		Judge Turner	Judge Jackson
Judicial Team 3		Judge Belton	Judge Yokom

Generally, the court takes action to adhere to the “one family/one judge” concept. When permissible, matters will be heard in the following priority: (1) by the judge assigned to the child/family, (2) by the partner judge to the judge assigned to the child/family, (3) by the on-call judge, (4) by senior judge or pro tem judge, as necessary.

## **B. JUDGES’ HEARING SCHEDULE**

Due to the ongoing application of the COVID-19 health guidelines, judges are operating on a schedule designed to limit the number of individuals in the court building daily. Hearings scheduled will utilize time certain calendaring and will be consistent with the Weekly Schedule detailed below in section J. Hearings may be scheduled for increments of 15 minutes or more. Additionally, more than one hearing may be scheduled within a single time slot in order to meet statutory requirements.

All judges may schedule virtual or in-person hearings at their discretion but are encouraged to ensure the parties and witnesses needed do not exceed the maximum number of persons in the courtroom’s public waiting areas.

Consideration for in-person hearings will be given to the following case types: delinquency adjudication, and disposition, designated felony act (DFA) disposition, Superior Court transfer and/or bindover, contested dependency, termination of parental rights (TPR), permanent guardianship, and termination of guardianship hearings. These matters will be specially set for an in-person hearing at the discretion of the judge.
