Technical College

System of Georgia

We offer free classes to help you prepare to earn your high school equivalency or brush up on your reading, math, and job skills. Our classes are designed to help you get ready to take the next step, whether it's to enter college or start a career. We also offer workforce training to help students qualify for promotions or jobs in high-demand industries. Classes are available in person, online, or a mix of both.

Here are some of the classes that are available at centers throughout Georgia:

- GED Test & HiSET Exam Preparation Classes (Math, Science, Social Studies and English Language Arts)
- Career Training
- Reading Classes
- Computer Skills Classes

Quick Facts

- Preparation classes for GaHSE options are free. Contact your local Adult Education Center for information about courses.
- Scholarships are available to assist with GED® Test fees and HiSET® Exam fees. See your local adult education center for more information.
- For a comparison of the GED® Test and HiSET® Exam, view this resource.

Culinary Training & Education

About Our Program

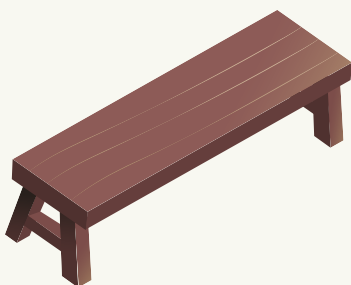

Work with the Atlanta Mission to equip homeless individuals with the tools and skills they need to find self-sufficiency with a stable culinary job.

In association with local faith-based homeless shelters, Gathering Industries trains and employs individuals who have successfully completed transitional programs for drug and alcohol dependencies, as well as prison-release programs.

While the people involved in our program receives their culinary training and education, Gathering Industries monitors their skills and helps them reach various levels of achievement. Those that complete all the following levels are ready to seek employment and begin a career in the culinary field.
