**AMENDED ORDER OF BUSINESS  
FOR THE JUVENILE COURT OF FULTON COUNTY  
JANUARY 2025– JANUARY 2026**

**This Order of Business is subject to modification as may be announced.**

Based upon the operational needs of the court, the Fulton County Juvenile Court may conduct court hearings virtually via a virtual conferencing platform identified by the court (i.e., Zoom), in accordance with Uniform Juvenile Court Rule 12.2 unless specially scheduled for an in-person hearing by the court. Parties and members of the public without access to the internet or virtual conferencing platform capability must report to the Fulton County Juvenile Court located at 395 Pryor Street SW, Atlanta, Georgia 30312 at least 30 (thirty) minutes before their scheduled hearing for virtual access to the hearing. The Court shall utilize the virtual conferencing platform known as Zoom for all virtual hearings unless otherwise indicated in a written notice to the parties.

All parties must ensure the ability to access the Zoom platform before the time of the hearing to ensure timely access to hearings and to avoid negative consequences due to an untimely appearance or failure to appear. Each party must conduct a test to assess their connection to the Zoom platform. To test your access to Zoom, you may use the link <https://zoom.us/test>. If the party does not have access to the Zoom platform, then the party must appear in person at the Fulton County Juvenile Court at least thirty (30) minutes before the scheduled hearing for timely access.

Where the court has scheduled an in-person hearing, the parties and legal counsel must physically appear in the assigned courtroom in person, before the scheduled hearing time. The parties and legal counsel may not substitute a virtual appearance specifically scheduled as an in-person court hearing without the authorization of the court.

**A. OPERATIONS**

Each juvenile court judge is assigned to a child/family for all matters for that child/family that come before the Juvenile Court; this is referred to as the “one family/one judge” concept.

**Cases are automatically assigned using JCATS.<sup>1</sup> This automated process assigns new cases to the next juvenile court judge in rotation on a one-to-one basis. Existing cases,<sup>2</sup> are assigned using the “one family/one judge” concept. Any case having no activity for greater than four years will be treated as a new case and assigned to the next juvenile court judge in rotation. The automated process for case assignment applies to both dependency and delinquency cases.**

<sup>1</sup> JCATS - Juvenile Court Activities Tracking System

<sup>2</sup> An existing case is defined as a currently active case, or a previous case having case history within the last four years.

Each juvenile court judge conducts hearings on an alternating schedule, with one week for dependency cases and the following week for delinquency cases. The alternating schedule for the judges is detailed in the Weekly Schedule below in section J.

Each juvenile court judge may work with a partner judge to hear cases that do not coincide with that judge's assigned hearing type for the week. For example, if Judge A is partnered with Judge B, Judge A's dependency week will be Judge B's delinquency week. The Juvenile Court may utilize associate or pro tem judges to hear any matters as authorized by the Chief Judge.

Fulton County Juvenile Court currently has seven (7) full-time presiding judges and one (1) associate judge. Per the Juvenile Code, one of the judges shall be designated as the "Chief Presiding Judge", known locally as the "Chief Judge." Excluding the Chief Judge, all juvenile court judges (presiding and associate) serve rotationally as the "on-call judge" to preside over certain designated matters. In the absence of an assigned judge, the Chief Judge may authorize a senior judge or judge pro tem to preside as needed.

Judicial Teams/Partners:

**Team 1:** Judges Scales, Johnson, and Crawford in an alternating manner.

**Team 2:** Judges Turner and Jackson.

**Team 3:** Judges Cloud and Yokom.

Generally, the court takes action to adhere to the "one family/one judge" concept. When permissible, matters will be heard in the following priority: (1) by the presiding judge assigned to the child/family, (2) by the partner presiding judge to the presiding judge assigned to the child/family, (3) by the on-call judge, (4) by the associate judge, or (5) by senior judge or pro tem judge, as necessary.

## **B. JUDGES' HEARING SCHEDULE**

With an emphasis on customer service, hearings will be scheduled using time-certain calendaring and will be consistent with the Weekly Schedule detailed below in section J. Hearings may be scheduled for increments of 15 minutes or more. Additionally, more than one hearing may be scheduled within a single time slot to meet statutory requirements.

All judges may schedule virtual or in-person hearings at their discretion but are encouraged to ensure the parties and witnesses needed do not exceed the maximum number of persons in the courtroom's public waiting areas.

Consideration for in-person hearings will be given to the following case types: delinquency adjudication and disposition, designated felony act (DFA) disposition, Superior Court transfer and/or bind over, contested dependency, termination of parental rights (TPR), permanent guardianship, and termination of guardianship hearings. These matters will be specially set for an in-person hearing at the discretion of the assigned judge. All other matters may be scheduled for an in-person hearing at the discretion of the judge when it is determined to be necessary and required for the administration of justice and in accordance with Uniform Juvenile Court Rules.

The judicial court calendar incorporates administrative days that vary according to the judicial

assignment. Each judge shall maintain the discretion to specially set other matters on designated administrative days when time is of the essence, and it is in the best interest of the child.
